

Welcome to the Norma Johnson Center

Trails are open
Dawn to Dusk.

Please sign in at
the trailhead kiosk.

Pets must be on leash.

Please clean up after them.

Conservation Loop 1.23 miles

The parking lot, red barn, public restroom and picnic shelter can be found by turning north from SR 39 onto Old SR 39 and then Conservation Drive. The Conservation Loop offers hikers lots of opportunities such as the wooded and open trails, blue-bird trails, conservation land labs and installed practices, a pond three walking bridges, a suspension bridge, a meadow, wetland, amphitheater, floating observation deck, clubhouse and observation blind. This part of the property was not reclaimed so high walls and coal spoil can be found during your hike.

Preservation Loop 1.23 miles

At the yellow pole barn, located on SR 39 just 3 miles west of I-77 Dover Exit 83 hikers can experience the Preservation Loop. While exploring the hills, scenic views and open areas of the Preserve hikers will notice different groves of younger trees. Most of these trees were planted by Norma and her father. This part of the property was reclaimed after the mining process due to the Reclamation Act in the 70's. There are two ponds located in this loop.

The NJC consists of 303 acres. The Tuscarawas County Commissioners own 240 acres and the Tuscarawas County Soil and Water Conservation District owns the remaining 63 acres.

For more information about the NJC check us out on the web at normajohnsoncenter.com

SWCD office - NJC Director - NJC office

Johnson Loop 1.31 miles

Located on the south side of State Route 39 the Johnson Loop is a hidden treasure. The parking area is accessed by turning south onto Gasser Road and parking at the trail head entrance. The Johnson Loop offers visitors two ponds, open fields and some wooded sections. Norma's favorite place on the entire NJC property was on top of the Johnson Loop near the gas wells.

Memberships are available. All fundraising efforts are handled by the NJC foundation board and support the NJC mission of promoting the conservation and preservation of natural resources through education, community outreach and personal experience.

\$10 Student/Seniors	\$150 Corporate
\$20 Individual	\$250 Oak
\$40 Family	\$500 Cherry

Fishing is permitted at the NJC however we do practice CATCH and RELEASE. If not followed then fisherman will be subject to the rules and regulations of ODNR.
