

The Norma Johnson Conservation Center Foundation (NJCCF) is offering a unique opportunity to honor a special person or organization with a commemorative bench. These benches will allow visitors to sit and enjoy the beauty of NJC while funds raised assist the NJC Foundation mission to support the conservation of natural resources through education, community outreach and personal experience.

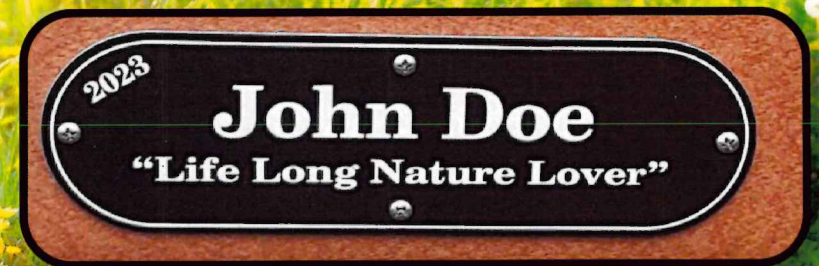

Bench location and plaque wording will be mutually agreed upon by the donor and TuscParks. The donation period will last 10 years. Within this time, the NJCCF will maintain the bench and in the event of damage, replace the bench at no cost to the donor. After 10 years, the bench will be available for renewal for the cost of \$1,000 for the life of the bench. This tribute gift is 100% tax deductible, and the transaction does not constitute a “purchase” of the bench by the donor.

For more information, and order form, please contact:
a NJCCF Board member or online at normajohnsoncenter.com

A plaque will be placed on the bench to show
others who sponsored the bench.

These high quality 4 foot recycled plastic and steel benches include installation in cement, a commemorative plaque and 50 year manufacturer guarantee for a minimum donation of \$2,000.
